## **RE: Grade 9 EQAO Boot Camp and Upcoming Assessment**

January 12, 2026

Dear Parents and Guardians,

On January 7, our school held its first-ever EQAO Boot Camp for our current Grade 9 Math students. We are pleased to share that the day was very successful.

Students participated in interactive workshops designed to better familiarize them with the EQAO assessment and to build the skills and strategies needed to confidently approach the exam. Throughout the day, students demonstrated enthusiasm, active participation, and appreciation for the learning opportunities provided.

Our teachers continue to work endlessly to ensure that students develop the skills and confidence needed for success. We are grateful for their dedication and commitment to supporting student learning.

We would like to wish our Grade 9 students the very best of luck as they complete the EQAO assessment on January 15 and 16. We are confident that their preparation will serve them well.

Thank you for your continued support.

Best regards,  
Administration
