

**HOLY CROSS CATHOLIC ACADEMY
CANDIDACY
2026-2027**

Name	Bio
Allegro, Lisa	I am a mom of three kids at Holy Cross (Grades 9 to 12). I'm a family law lawyer, and my work has given me a real appreciation for how much a caring, connected community means to kids and families. I was on the parent council for a few years when my kids were in elementary school. I loved helping organize fun and meaningful events for the students. Unfortunately, I stepped back when my workload at the office expanded. Now that things have settled down, I'm looking to get involved in the school community again and join parent council. Family is the most important thing in my life, so when I'm not working, I'm usually spending time with my family. I sit on a number of committees and panels in my role as a family law lawyer. I love writing and organizing, and I genuinely care about the well-being of students. I'd love the chance to serve on the parent council and put my time, energy, and experience toward supporting our school community. Thanks so much for considering my nomination!
